Ref: Your Letter NSE/LIST/51484 dated October 23, 2025

Subject: Withdrawal of Application for In-Principal Approval for Scheme of Amalgamation

Dear Sir,

This is with reference to your letter dated October 23, 2025 ("**Letter**"), regarding our application bearing application number 51484 for the scheme of amalgamation of Master Moulds Private Limited ("**Transferor Company**") with Master Components Limited ("**Transferee Company**") and their respective shareholders and creditors ("**Scheme**") under Sections 230 to 232 of The Companies Act, 2013.

We acknowledge the discrepancy in compliance of NSE SOP Circular (Ref No. NSE/CML/2023/70) dated September 29, 2023 ("**NSE SOP Circular**"), as highlighted in your Letter concerning the Valuation Report dated September 29, 2025, which has considered the Audited Financials of March 31, 2025.

While we understand that the revised valuation report, along with other applicable documents, is required to be submitted by October 29, 2025, we wish to inform you that, as per the circular, the audited financials considered for the preparation of the valuation report should not be older than three months as on the date of the valuation report. We wish to state that there are various practical challenges in procuring the updated audited financials not older than 3 months and obtaining the corresponding revised valuation report within the short timeline of six days from the date of your Letter i.e., October 29, 2025.

Therefore, considering the time needed for preparation and ensuring full compliance with the NSE SOP Circular, we hereby request the return/withdrawal of our current application bearing number 51484 for the Scheme.

We intend to resubmit the application with a revised valuation report and updated documents, strictly adhering to the timelines and requirements specified in the NSE SOP Circular and other relevant regulations.
