ORDER

Application is filed for the Scheme of Compromise by the Company with its Shareholders and Creditors in the liquidation process which is going on with respect to Corporate Debtor. On query raised by the Bench, the learned counsel states that the liquidation order is passed by the coordinate Bench and the process is pending before Court No. 1. Since, this is new application filed under Section 230-232 of the Companies Act, 2013, as per the process of Registry this is listed before this Bench.

In our opinion, this matter if it is considered by the Bench where the liquidation process is pending, it will be convenient while passing the order as all the previous records with respect to CIRP and liquidation are before Court No. 1.

The learned counsel is directed to take appropriate steps.
