(xxvii) The Applicant Companies have filed a certificate issued by their

respective Statutory Auditors certifying that the Scheme is in compliance with the Accounting Standards under Section 133 of the Act, and the same has been annexed to the Application as **Annexure A55.**

4. It is submitted that the Rationale of the Composite Scheme amongst the Applicant Companies, and their respective shareholders and creditors is, *inter alia*, as follows:

> *"3.1 The Parties involved in the Scheme are a part of the same group. In pursuit of a more streamlined organizational framework, the Parties have collectively resolved to implement this Scheme, aimed at simplifying the group's holding structure and reducing the number of entities within the group.*
>
> *3.2 The entities encompassed within this group are actively involved in various business operations, including but not limited to trading, leasing, providing services, and managing investments in operational companies affiliated with the group.*
>
> *3.3 Consequently, the implementation of this Scheme is anticipated to yield several significant outcomes, including but not limited to the following objectives:*
>
> ***3.3.1 Streamlining of Shareholding Structure**: The Scheme will facilitate the simplification and optimization of the shareholding framework by eliminating unnecessary tiers and crossholdings among the entities. This restructuring aligns with contemporary best practices in corporate governance, thereby enhancing the overall integrity of the group's governance framework.*
>
> ***3.3.2 Enhanced Transparency**: The establishment of a more straight forward direct holding structure is expected to foster greater transparency regarding the promoter's shareholding in the group companies, thereby instilling increased confidence among stakeholders.*
>
> ***3.3.3 Creation of Distinct Entities**: The Scheme will lead to the formation of separate, distinct, and focused entities that will house the demerged undertakings. This separation is anticipated to result in enhanced operational and administrative efficiencies, allowing each entity to concentrate on its core business activities.*
>
> ***3.3.4 Focused Management**: The independent establishment of each demerged undertaking will ensure that there is dedicated and specialized management for each business activity, thereby promoting depth and expertise in operational oversight.*

3.3.5 Cost Reduction and Compliance Optimization*: The Scheme is expected to significantly reduce overall administrative and compliance costs. By optimizing supervisory and management overlaps, the Scheme will minimize the regulatory and legal compliance burdens, thereby allowing for more efficient resource allocation.*

3.4 The Parties firmly believe that the proposed Scheme serves the best interests of all stakeholders, including shareholders, employees, creditors, and regulatory bodies. By fostering a more efficient and transparent organizational structure, the Scheme is poised to enhance the long-term sustainability and growth potential of the group."
